

Language of Colorado's Human Life Amendment

Many amendments are worded confusingly, and already there are people who would have you believe this is an overly complicated issue, but the simplicity of the text of this initiative speaks for itself. It is not complicated, it is not confusing, it simply states what should be obvious to everyone...

Be it Enacted by the People of the State of Colorado:

SECTION 1. Article II of the constitution of the state of Colorado is amended BY THE ADDITION OF A NEW SECTION to read:

Section 31. Person defined. As used in sections 3, 6, and 25 of Article II of the state constitution, the terms "person" or "persons" shall include any human being from the moment of fertilization.
